Do I need to display my permit, even if my vehicle is already registered with Parking Services? Yes. All registered vehicles are required to properly display their issued permit at all times while parked on University property.

Who should I ask to get correct information as to where to park? Ask any member of Parking Services or TUPD, refer to the web site, or refer to this brochure.

Are state and local traffic and parking laws and regulations enforced on campus? Yes.

What constitutes a visitor for the purpose of visitor parking and appeal privileges? Persons periodically parking on campus that are not registered for classes or employed by the University. People who regularly frequent the campus (at least once a week) are NOT considered visitors and are required to purchase a parking permit.

Is open parking allowed during summer and holiday breaks? No. Parking restrictions will remain in effect throughout the school year, including semester breaks and during holiday breaks.

Can I park in Alamo Stadium? Parking in Alamo Stadium is allowed between certain hours Monday through Friday. Parking overnight and on weekends is not allowed.

If I need to "run a quick errand" in a building, is it okay to park in the closest handicapped, fire lane, or reserved space with my emergency flashers on? No. Parking in any way that would interfere with the use of the facilities or cause a traffic hazard is prohibited. It is against the law, and you will result in the issuance of a citation and the vehicle is subject to be towed at the owner's expense.

If I live off campus, can I park in a visitor space? No. Off-campus students are not considered visitors and must purchase a permit and park in student lots/spaces.

What can I do if I come to campus at a late hour and cannot find a convenient place to park or need an escort? You may contact TUPD or utilize any blue light emergency phone and request an escort. These phones are located throughout the campus. Refer to the map on the back of this sheet for locations. You may also register for "ELERTS," a virtual escort app at inside.trinity.edu/university-police/alerts.
