TRINITY UNIVERSITY FACULTY DEVELOPMENT COMMITTEE
APPLICATION FOR ACADEMIC LEAVE DURING 2015-2016

The President of the University, upon recommendation of the Faculty Development Committee (FDC) and the Vice President for Academic Affairs, will award academic leaves for 2015-2016. Full information on the Academic Leave policy and the Standard Operating Procedures of the FDC is in Chapter Four of the Faculty and Contract Staff Handbook.

ACADEMIC LEAVES
Leaves of absence are among the most important means by which a teacher’s effectiveness can be increased, a scholar’s opportunity for research, reflection, and writing enhanced, and ultimately a university’s academic program strengthened and developed. A sound program of leaves is therefore of vital importance to the academic life of a university, and every faculty member should use available means of professional development, including leaves, to increase professional competence. The major purpose of an academic leave program is to provide an opportunity for continued professional growth and new or renewed intellectual development through study, writing, research, or travel in order to enhance creativity, scholarship, and teaching. Other purposes include public or private service, which ultimately serve the university.

SPECIAL PROJECT EXPENSE GRANTS
Support for expenses, if any, associated with the Academic Leave project should be requested through the Office of Academic Affairs by contacting Mark Brodl (AVPAA:B&R). The project should not be dependent on the availability of a special project expense grant.

REQUIREMENTS
Academic leaves will be granted either for one semester or for the full academic year. A faculty member on a one-semester leave will receive full salary and fringe benefits. A faculty member on leave for the full academic year will receive one-half salary and adjusted fringe benefits. An academic leave may be granted once in a five-year period.

A grantee is required to devote full time during the leave to the approved project. Grantees, on returning from leave, must submit a report of their activities (and expense award expenditures, if any) to the departmental chair and the Faculty Development Committee by September 16, 2016, for a leave in either of the two previous semesters. The report to the FDC should be submitted to Mark Brodl (AVPAA:B&R).

The grantee shall agree by signing a contract to return to his/her employment at the University for at least one year after the leave or, failing to do so, agrees to reimburse Trinity University for salary and fringe benefits received during the leave.

ELIGIBILITY
- All tenured members of the faculty with at least four years of full-time service at Trinity University are eligible to apply for academic leave. A faculty member ordinarily must serve the University for an additional four years before being eligible for subsequent leaves.
- A faculty member may apply for a summer stipend and an academic leave during the same academic year (June 1 through May 31), but no more than one award will be recommended for funding. Before making any award recommendation, the faculty member will be consulted as to his or her preference.
- A faculty member may not receive a summer stipend either the summer before or the summer after the year during which he/she is on leave.

EVALUATION GUIDELINES

The FDC will evaluate academic leave proposals according to the following criteria:

- The merits of the proposal (originality and advancement of knowledge);
- The potential of the proposed project to enhance the creative, scholarly, or teaching competence of the faculty member (likelihood of significant publication or performance, enhancement of professional skills, acquisition of new areas of teaching expertise);
- The probability of achieving the objectives specified during the proposed leave;
- The appropriateness of the methods and techniques for meeting the stated objectives;
- The qualifications of the candidate relevant to achieving the goals of the proposal;
- The candidate’s history of academic leave awards at Trinity University (past leaves and successful completion of previous projects).

**NOTE:** ANY PROPOSAL THAT FAILS TO EXPLICITLY ADDRESS EACH OF THE CRITERIA LISTED ABOVE WILL NOT BE CONSIDERED BY THE REVIEW PANEL.

**NOTE:** ALL MATERIALS MUST BE PREPARED IN CLEAR AND CONCISE LANGUAGE THAT CAN BE EASILY UNDERSTOOD BY REVIEWERS FROM OTHER DISCIPLINES.

FDC APPLICATION AND SUBMISSION REQUIREMENTS

The **DEADLINE** to submit academic leave applications is **5 p.m., September 19, 2014**. No submissions will be accepted after that time.

To save paper, electronic submission is requested. A complete academic leave proposal will include:

1. An e-memo submitted from the applicant to Mark Brodl (mbrodl@trinity.edu), in which the applicant verifies that he/she agrees to: (a) return to Trinity for at least one academic year after the leave, (b) be available to serve on the FDC for at least one year, and (c) submit a description of leave activities by September 16, 2016.

2. FDC Academic Leave Proposal Cover Sheet (as an attachment to the above e-memo).
3. The narrative (as an attachment to the above e-memo).

The narrative length is 2,000 words maximum. It must be double-spaced, use a font no smaller than 10 pt, and maintain one-inch margins all around. Please do not use footnotes. Any proposal not meeting these requirements will be returned to the applicant for revision.

The narrative must include. (Although not required, it’s helpful to FDC reviewers if the applicant provides headings that identify each of these topics.):

a. A clear statement of the significance of the project, the project objectives, and a time frame for their accomplishment. (State succinctly the nature and importance of the project, the originality of its approach, and the professional contribution it will make if successful.);

b. Current state of research within the area of proposed study as directly related to above statement of significance and objectives;

c. A concise statement of the methodology to be employed;

d. The applicant’s qualifications relevant to achieving the goals of the proposal;

e. Anticipated scholarly and/or artistic output. (For example, journals in which the work might be published, names of publishers who have shown interest in the work, and exhibitions or dramatic/musical productions that could result from the proposed work.)

4. Please provide on the cover sheet (see item #4 on cover sheet) and, separate from the narrative, the year(s) of previous academic leave(s) at Trinity University. For each, list the item(s) on your curriculum vitae that represents outcomes directly related to the academic leave and/or describe other outcomes related to the leave.

5. A curriculum vitae (as an attachment to the above e-memo).

6. A separate e-memo sent from the Department Chair to Mark Brodl (mbrodl@trinity.edu), which indicates whether the department supports the proposal and also summarizes the critical reviews of the proposal by tenured members of the department (see part (4A). III. A. 1. d. in the Faculty and Contract Staff Handbook). The e-memo will also verify that the department recommends the proposal and that the curricular responsibilities of the department can be met without additional faculty to replace the faculty member being recommended for a funded leave. If curricular responsibilities cannot be met, additional rationale and information are required. If a term or part-time appointment is needed, the memo must include the request.

Incomplete proposals will not be forwarded to the FDC for review.

NOTES

• Applicants may request to review examples of previously funded proposals for academic leaves, which are available in the Office of Academic Affairs (contact Mark Brodl, AVPAA:B&R).

• The FDC will submit its recommendations of awards to the Vice President for Academic Affairs, who will send them forward with his recommendations to the President. Awards will be announced in mid-December, 2014.

• The recipient of an academic leave award must send a report to Academic Affairs (ATTN:
Mark Brodl, AVPAA:B&R) and the departmental chair by September 16, 2016. Project reports should describe what was accomplished during the leave. Supporting documentation, such as manuscripts, musical scores, and other appropriate documentation, may be appended to the report and will be returned after the reports have been read.
