What is FTIS?

Friends of Trinity University is a collaborative effort between the International Student and Scholar Services Office and volunteers from the community. The goal is to introduce Trinity’s International Students to a variety of aspects of the U.S. culture through having FTIS volunteers host students for a holiday meal, or invite students for a cultural outing.

Who Can Participate?

International Students:
Any Trinity international student interested in sharing their own culture and spending time with people from Trinity or the local San Antonio community. You will be matched with an FTIS host family and/or be invited to events such as sharing a holiday meal or cultural excursion with a family!
