

Office of Career Services
Center for Experiential Learning & Career Success

TRINITY UNIVERSITY

The Student Guide to Career Planning

1. **Discover your career interests and pathways;**
2. **Grow through career exposure, experience, knowledge and connections; and**
3. **Become ready to launch into your personalized career path**

DISCOVER *Career Interest and Pathways (typically first years and sophomores)*

Questions

- What careers are you considering?
- Do you have ideas about what you want to do with your major?
- Have you visited Career Services?

Action Items

- Meet with a career advisor to identify skills, abilities, and personal values and relate interest to possible majors and careers
- Attend career programs: Lunch 'n Learns, Employer Information Sessions, Workshops, etc.
- Attend Making Connections during Winter break to meet alumni and gather career information
- Connect with alumni through faculty, Career Services, LinkedIn and TrinityConnect for career information
- Explore career-related, summer volunteer work, internships and part-time jobs
- Utilize Career Services walk-in hours to discuss drafting a resume

GROW *through Exposure, Experience, Knowledge and Connections (typically sophomores and juniors)*

Questions

- Have you met any people in professions that interest you?
- Have you done an internship or research yet?
- What are your plans for the summer?
- Do you have a LinkedIn profile yet?

Action Items

- Talk with faculty in academic disciplines of interest
- Read about careers and industries of interest
- Attend panels, workshops, information sessions and seminars and conferences to gather information about careers
- Attend the following recommended career programs:
 - Lunch 'n Learns
