August 18-19, 2015

International Students and their guests gathered from all over the world to attend the International Student Orientation which lasted 2 days. This event was concluded with a memorable Welcome reception hosted by President Danny Anderson and Mrs. Kimberly Anderson. Every year, this continues to be one of the most well-attended and thoroughly enjoyed events hosted by the ISSS office.
Discover America via San Antonio (DASA)

“A summer seminar jointly sponsored by the German-American Fulbright Commission and Trinity University”

This past August, Trinity hosted a group of German students who came to explore the life and culture of the U.S. via San Antonio. The German students attended classes on Entrepreneurship, Media, Education, and Religion in the U.S. They also participated in workshops, trips and social events including International Student Orientation (ISO) and New Student Orientation (NSO). This is the first time Trinity has hosted students through the Fulbright Program from overseas. The program was successfully completed and we look forward to continue this project in the future so that Trinity will be a great door to the United States for interested students from all over the world.
The annual Fight Culture Shock Day event took place on September 21st, 2015 and was a great success. Over 250 students, staff, and faculty came to try out delicious international food, listen to a showcase of world music, and participate in interactive activities on culture shock as well as interact with students from all around the world and share their personal cross-cultural experiences.
