Breadth Requirement Status

2 SUB-GROUPS

✖ You have not met the breadth requirement of at least 7 disciplines represented among all courses used to satisfy the Approaches to Creation & Analysis and the Interdisciplinary Cluster.

Breadth Requirement Rules

The eight courses used to fulfill the Approaches to Creation and Analysis and the Interdisciplinary Cluster must come from at least seven different disciplines. All courses must be completed AT Trinity. For a Pathways Course list go to the following link:

Pathways

Link leads to a list of courses approved for Pathways

- The Breadth Requirement status indicator is linked to the “7 out of 8” requirement. Students must choose courses from at least 7 different subject areas when fulfilling the 8 courses required, in total, for the “Approaches” areas and the Interdisciplinary Cluster.
- All courses for the Approaches and the Interdisciplinary Cluster must be taken at Trinity
- To qualify for graduation with a bachelor’s degree, a student must successfully complete one course (totaling no fewer than 3 credit hours) from each of the following categories:

✓ 1) **Humanities (HU) - Complete 1 Humanities (HU)** course (totaling no fewer than 3 credit hours).

3.0 HRS COMPLETED

SP18	HIST-1324	3.0	A	Modern East Asia
------	-----------	-----	---	------------------

IP ✖ 2) **Creative Expression (CE) - Complete 1 Creative Expression (CE)** course (totaling no fewer than 3 credit hours).

SP18	MUSE-1185	1.0	A	>R Trinity Choir
FL18	MUSE-1185	1.0	>R	Trinity Choir

- A student can complete the CE Approach with Large ensemble or applied music courses, but 3 credit hours are needed.

✓ 3) **Social and Behavioral Sciences (SBS) - Complete 1 Social and Behavioral Sciences (SBS)** course (totaling no fewer than 3 credit hours).

3.0 HRS COMPLETED

FL17	PSYC-1300	3.0	A	Principles of Psychology
------	-----------	-----	---	--------------------------

- ✘ 4) **Natural Sciences (NS)** - Complete 1 Natural Science (NS) group (totaling no fewer than 3 credit hours).

NEEDS: 1 SET

- To complete the NS requirement a student must complete an approved course or an approved set of courses. For example, GNED 1341 is a single course that will fulfill the requirement but a student could also complete the requirement with CHEM 1318 and 1118.

- ✔ 5) **Quantitative Reasoning (QR)** - Complete 1 Quantitative Reasoning course (totaling no fewer than 3 credit hours).

4.0 HRS COMPLETED

SP18	PSYC-2401	4.0	B+	Statistics and Methods I
------	-----------	-----	----	--------------------------

10. Interdisciplinary Cluster: The Interdisciplinary Cluster must be fulfilled by successfully completing **three** courses (totaling no fewer than 9 credit hours) from three disciplines. These courses may be structured as a part of a faculty-designed Interdisciplinary Cluster or student-designed three-course learning experience that meets the guidelines and is approved by the University Curriculum Council.

✘ **Interdisciplinary Clusters**

Complete 3 courses (totaling no fewer than 9 credit hrs) from three discipline/subject areas. All courses must be taken AT Trinity and one of these courses may be used to fulfill the requirements of the student's primary major.

The eight courses used to fulfill the Approaches to Creation and Analysis and the Interdisciplinary Cluster must come from at least seven different disciplines. All courses must be completed AT Trinity. For a Pathways Course list go to the following link:

Pathways ←

Students may request a "Student-Designed" Interdisciplinary Cluster. Request form and instructions can be found on the Registrar's web page.

Link leads to a list of all courses approved for faculty-designed Interdisciplinary Clusters

The audit will display all clusters that a student takes courses in. Once a student is Pending or Complete with a cluster all others will disappear. Please note that this will also affect the 7/8 area. All courses will show in the 7/8 breadth requirement until a student is either Pending or Complete with the Interdisciplinary Cluster.

15. **Experiential Requirement:** Optional, but encouraged.

✓ **Experiential Learning (Optional)**

- ✗ Trinity University believes that Experiential Learning is an important part of how students learn to apply knowledge in a real-world environment. It is recommended that all students complete at least one experiential learning opportunity. These opportunities may include:
Experiential Learning courses
Experiential Learning Fellows Programs
For more information on Experiential Learning opportunities, please contact your advisor.

16. **Major:** Outlines when a student must declare their major. Will show major requirements once a student has declared.

✓ **The Major**

After achieving Sophomore standing and before achieving Junior standing (58 credit hours completed), students must apply for admission to the chair of the department in which they wish to major or to the chair of the interdepartmental major.
