- Trinity University won the city-wide Get Fit Challenge in the large group category!
- 1100 food items donated to the San Antonio Food Bank.
- $650 in cash donations to the San Antonio Food Bank.

-Thanks to the Trinity Bookstore for a great deal on the team running shirt.
-Thanks to the YMCA for supporting the food drive (over 100 items donated).
-Thanks to Derick Lawrence for teaching the running class and for his presentation to the runners.

About a dozen students who participated in the group training and race were running under the banner of “TU Chronies.” This group of Greek students was organized by Bart Davis and raised over $1,500 for the Crohns and Colitis Foundation! Several of Bart’s family members suffer from this disease. Ben Newhouse in CCI helped Bart lead this effort.

Congratulations to the students, parents, faculty, staff, alumni, and friends of Trinity University who participated in the training and completion of this year’s event! Thanks for making this training program and race day such an enjoyable and rewarding experience. You did GREAT!
