Some feedback from runners outside Trinity:

“Without question it’s the most enthusiastic and uplifting portion of what is one of the most difficult sections of the course”

“I want to thank your students for the enthusiasm they displayed while cheering on the runners”

“Hats off to Trinity for having great support throughout campus”

Food Drive

In 2015 we collected 857 pounds of donations and \$1,339. Multiply the money by ten and you have 13,390 plus 857 for a total of 14,247 food pound equivalents.

Food drive over time:

2015 - 14,247 pound equivalents

Total over 8 years -

73,147lbs of food equivalents
 One semi is 40,000 pounds of food, so **we have filled nearly two semis.** If 100 pounds equals one grocery cart. Total **grocery carts collected in eight years is 731.** One meal is 1.28 pounds. **Total meals provided equals 57,146 meals.**

Special thanks to:
