Some feedback from random runners:

I liked the course. The cheering at Trinity was fantastic!

Running through the Trinity Campus was one of the best racing experiences I’ve had!

The folks around Trinity University were the best!

The Trinity University staff and students once again deserve a lot of credit for the support they provided race day.

Enjoyed the course! The section through Trinity University was very nice! There seemed to be great participation by the Faculty and Student body lining the course and cheering. Trinity University should be commended for their efforts!!

From the Event Manager

Trinity one-upped themselves this year. The students’ enthusiasm and spirit was off the charts. You couldn’t help but feed off the energy, which is exactly what the runners needed before taking on the hills of San Antonio.

– Megan Miller, Event Manager, Competitor Group, Inc.

Food Drive

The Kayla Mire Food Drive, for the San Antonio Food Bank, is the official charity of the Dean of Students Half Marathon Challenge. The Trinity runners and community - with a big hand from TUVAC - contributed:

- 380 pounds of food
- $1,455.40 (14,554 food pound equivalents)
- Total of: 14,934 equivalent food pound equivalents

Over the seven years of this program Trinity University has donated 47,068.9 pounds in food bank donations. That is over 470 grocery carts of food. Thank you to everyone for making such an impact in the community.
