Recruitment, beginning in early September and ending in mid-January, allows you to get to better know our community and each of our organizations. Each club will host a variety of both informal and formal events for you to attend. Make sure to meet as many members and alumni as possible and don't hesitate to ask questions! Visit gotu.us/FSLrec to add your name to the Master Recruitment List.
"Greek life at Trinity is very unique because all of our organizations are local - I think that is the reason we are such a close community. I don’t think my experience would be anything like this at a large school. I love that being a Beta has given me the chance to be more involved on campus. It has allowed me to be part of a group of women who are strong, independent, and always there to support me no matter what."
