Tiger Advantage Experiential Learning Component Reflection

Please write a 250-500 word reflection about your experiential learning option of choice. As you write your reflection, please answer the following four questions. The purpose of this reflection is to be able to understand your experience as well as assist you in explaining your experience to another individual such as an employer or graduate school admissions counselor. If you have any questions, please email Laura Kalb, lkalb@trinity.edu.

1. What did you complete for your experiential learning option? Describe what you did during the experiential learning option.
2. What did you learn from participating in your experiential learning option?
3. How will this experience influence you in the future?
4. How did this experience shape your professional development?
