Dear Student Applicant:

Before completing the application, it is important to read and understand the requirements and benefits of the Upward Bound program. Upward Bound has high expectations for its students and, in return, it offers you the opportunity to build your academic skills for success in college.

The purpose of Upward Bound is to assist students in the development of skills and motivation necessary for success in high school and college. The Trinity University Upward Bound program is a federally funded TRIO program. We serve only 75 students at Memorial, Kennedy, Harlandale and McCollum high schools.

WHAT IS EXPECTED OF UPWARD BOUND PARTICIPANTS?

Upward Bound activities must be taken seriously by participants. Participants are required to attend classes on two Saturdays per month during the academic year and attend a six-week summer program. All participants make a four-year commitment to participating in both the academic and summer components. To be successful in the Trinity University Upward Bound program, students are asked to make attendance at program activities their first extracurricular priority. Students who are overextended or overly involved in other activities typically do not have the commitment or time required to be in Upward Bound.

WHAT DO I GET FROM THE UPWARD BOUND PROGRAM?

All Upward Bound participants receive the support and guidance needed to be successful in high school and in college. All services are free of charge including:

- Tutoring
- College Preparatory Classes
- Counseling
- Career Information & Guidance
- ACT Preparation Course
- Fee Waivers for Testing and College Applications
- Free College Credits in Bridge Program
- Field Trips to Colleges and Cultural Events
- Trinity University Identification Card
- Career Internships

The choice is yours, if you want to go to college and are willing to work hard then Upward Bound may be the program for you. If you have any questions, please contact me at 210.999.7590.

Sincerely,

Simone Carnegie-Diaz,
Upward Bound Director

Upward Bound tiene altas expectativas para sus estudiantes y, a cambio, les ofrece la oportunidad de reforzar sus habilidades académicas para que tengan éxito en la universidad.

El propósito de Upward Bound es ayudar a sus estudiantes en el desarrollo de sus habilidades y motivarlos para que tengan éxito en la preparatoria y en la universidad. Los estudiantes que estén involucrados en varias actividades típicamente no tienen el tiempo requerido para ser miembros de dicho programa.
