Teacher Education Advisory Council (TAC §228.20b)

The Teacher Education Advisory Council (TEAC) is a collaborative group of stakeholders that provide guidance and expertise to the educator preparation program. Members include representatives from local schools and districts, higher education, Region 20 Education Service Center, and San Antonio business and community.

Collaboration
- Meet twice per year
- Assist in the design, delivery, evaluation, and major policy decisions

Accountability
- Provide sufficient support for the programs to meet all state and national standards
- Accountable for the quality of the program and the candidates that the program recommends for certification

Membership

- Shari Albright, Chair, Department of Education, Trinity University
- Melissa Alcala, Director, NEISD STEM Academy
- Laura Allen, Director of Certification & Assessment, Trinity University
